DATE OR NO DATE

GOAL: Find the ULTIMATE date for a night full of fun and connection!

1. PREP YOUR GAME! Cut out the board game below. Label 9 envelopes 1–9 and place a "Date Card" in each. Label 4 more envelopes 1–4 and place an "Offer Card" in each.

2. Have your spouse select one envelope as their date. They'll take turns opening the others, eliminating the dates inside — cross each one off the board as you go. (Print extras so you can play again!) They're hoping they picked the ultimate date themselves!

   - **Round 1**: Eliminate 3 date envelopes, then select an Offer Card. Take the offer, or keep eliminating.
   - **Round 2:** Eliminate 2 date envelopes, then select an Offer Card. Take the offer, or keep eliminating.
   - **Round 3:** Eliminate 1 date envelope, then select an Offer Card. Take the offer, or keep eliminating.
   - **Round 4:** Eliminate 1 date envelope, then select an Offer Card. Take the offer, or keep eliminating.
   - **Round 5:** If you haven't taken an offer, choose to switch your envelope with the last one remaining — or keep yours.

3. NOW, OPEN THE SELECTED ENVELOPE AND GO ON YOUR DATE!
