Ingredients

- ♥ 1 cup unsalted butter
- ♥ ¾ cup granulated sugar
- ♥ ¾ cup brown sugar
- ♥ 2 eggs, room temp
- ♥ 2 tsp vanilla
- ♥ 2½ cups flour
- ♥ 1 tsp baking powder
- ♥ ¾ tsp salt
- ♥ ¼ tsp baking soda
- ♥ 1½ cups chocolate chips
- ♥ Vanilla ice cream + toppings

Directions

1. Preheat oven to **350°F**.
2. Cream butter + both sugars. Beat in eggs & vanilla until smooth.
3. Whisk flour, baking powder, salt & baking soda; gradually mix in.
4. Stir in chocolate chips.
5. Divide dough between 2 skillets, spreading to the edges.
6. Bake 15–20 min, until a toothpick comes out clean.
7. Cool slightly; serve warm with ice cream & toppings!

Tip: For a gooier center, pull it a couple minutes early; for a fully set cookie, bake until a toothpick comes out clean. Serve right away for that warm-cookie-meets-cold-ice-cream magic.
